

**Academic Research – Neuroscience Psychology
M.A. Program
Humboldt State University
Prerequisite Verification Form**

Name:

Course titles and content differ from school to school. Please identify from your transcript which courses meet each of our six specific prerequisites. If it is not apparent how your courses are equivalent, you may have to prove equivalency if invited for an interview. If you have not yet completed a prerequisite, explain where and how you plan to do so. Proof or documentation of completion will need to be provided by the starting date.

NOTE: Incomplete prerequisites must be fulfilled in your first two semesters of our program.
